REMINDER: Recreational Fire Rules

Residents who like to enjoy a small outdoor recreational fire should be considerate of their neighbors and make sure they are abiding by City ordinances:

- Outdoor fires are permitted between 9:00 AM and 10:00 PM
- Keep fire small, less than three feet in diameter and two feet high.
- Burn only untreated, unpainted, dry wood. Never burn cardboard boxes, trash or debris, because the smoke can be toxic. www.minneapolismn.gov/environment/air/airquality
- Fire must be at least 25 feet away from a structure or combustible material and in a fire ring or pit with edges more than six inches high.
- Have a hose or fire extinguisher present.
- Postpone the fire when the wind exceeds 10 mph.
- Fire must be constantly attended by someone 18 years or older and completely out before being abandoned

Illegal burning can result in a \$200 fine. To report an illegal or unsafe fire, call 911.

Be a Good Neighbor

When you're planning to have a recreational fire, these simple suggestions could help make sure you're being a considerate neighbor:

- Postpone a fire when Minneapolis is under an air pollution advisory or alert. Fires release fine particles that contribute to air pollution and can aggravate a number of health problems, including asthma. Sign up for air quality alerts.
- Let neighbors know when planning a fire.
- Postpone a fire when smoke will blow directly at a neighbor's house or when still weather conditions prevent smoke from moving away at all.

The Fire and Police departments are authorized to extinguish the fire immediately if it is hazardous or unsafe.

For more information on recreational fires or to register a complaint about a recreational fire, call 311 or email Minneapolis311@minneapolismn.gov.
