Help for Seniors' Caregivers

Senior Outreach & Caregiver Services, a program of Senior Community Services, provides support to friends, spouses, and other family members who help an older adult remain at home.

The staff not only assists these caregivers in connecting with needed services and resources for their loved one, but gives support to them as well.

The licensed social workers can provide consultation, caregiver support groups, family meeting facilitation, and coaching to the caregiver.

For computer-savvy caregivers, the program also offers an online care team tool - CareNextion - to provide an efficient method of enlisting other family and friends in sharing the care.

For more information or to request service, call 612-770-7005.

Yard Waste Pickup & Preparation

Remember that yard waste can be picked up on your garbage day when prepared properly. (*Yard waste includes leaves, acorns, bark, garden plants, grass clippings, pine cones, pine needles, twigs, straw, and hay.*) Yard waste must be prepared as follows for pickup:

- Bag in Kraft paper bags, compostable plastic bags, or place un-bagged in a reusable container with handles. Compostable plastic bags must have the logo on the right to be accepted. All bags must be 33 gallons in size, or less.
- All containers must be approximately 33 gallons in size, no less than 26 inches in height, and have sturdy handles (no buckets or pails). Each bag/container must weigh less than 40 pounds.
- Sod is accepted if the dirt is removed. Dirt is not collected by crews.
- Minnesota State law, 115A. 931(a), prohibits disposing of yard waste with the garbage.

Need a ride to CCMT?

Recycle Your Old Refrigerator

If you have an extra refrigerator or freezer that does nothing for you but burn electricity and cost you money, call Xcel Energy to pick it up for free. You'll save money on future electricity bills and even get a \$35 rebate. This is part of the Clean Energy Partnership between Xcel Energy and the City of Minneapolis.

Go to xcelenergy.com/Fridge or call 1-800-599-5795 for more info or to schedule your free, in-home pickup.

Remember that City of Minneapolis Solid Waste and Recycling customers can always leave an old refrigerator out for pickup. Take the door(s) off for safety and leave it with a note that says "for Solid Waste" next to your garbage cart on recycling day.
