1st Annual Marshall Terrace Heritage Potluck!

Marshall Terrace Heritage Potluck

DATE: Thursday, January 25th

TIME: 6:00 – 8:00 PM

WHERE: Mississippi Watershed Management Organization (MWMO), 2522 Marshall St. NE

Join your neighbors and business members of the Marshall Terrace Neighborhood Organization (MTNO) for our first quarterly neighborhood meeting of 2018 and learn about neighborhood happenings!

Heritage Potluck Contest

Marshall Terrace is becoming an increasingly diverse neighborhood with residents of various ethnicities, backgrounds, lifestyles, and religions. Please bring a dish inspired by your family's traditions and cultures!

Dishes will be judged in three categories: sweet, savory, & people's choice. Your dish could win 1 of 3 prizes!

All potluck entries must be brought to MWMO between 5:45 & 6:00 PM to qualify for entry.

MWMO Kids' Activities

Join the MWMO in some fun, hands-on activities, too! Kids of all ages can watch a demonstration of how water flows over our land and affects humans, animals, and aquatic life in the Mississippi River. We'll also explore why we should care about this and how we can all protect the water we drink, play in, and enjoy.

Marshall Terrace Heritage Potluck!	3
Twin Cities Snowshoe Shuffle	4

Snow Removal Reminder

It's cold out there and the snow is packing down. Please remember that the Minneapolis Ordinance requires that property owners clear sidewalks after the end of a snowfall within:

- 24 hours for single-family homes/duplexes
- Four daytime hours for apartments, commercial buildings, and all other properties (daytime hours begin at 8:00AM)

When you shovel snow and clear ice:

- Shovel the sidewalks on all sides of your property, the full width of the sidewalk down to the bare pavement.
- Remove all ice from sidewalks.
- Pile snow into your yard and boulevard. ***It's against the law to shovel snow into streets and alleys.***

2018 New Year's Resolution: Strive for Zero Waste

The average person generates 4.4 pounds of waste each day. Make it your 2018 New Year's resolution to reduce the amount of waste you generate and pledge to reduce, reuse, repair, recycle, and compost as many materials as you can before throwing them away:

REDUCE: Join the [NE Minneapolis Tool Library](#)* to reduce waste and save money by gaining access to tools you can check out like library books; over 2,500 tools are available, from circular saws to extension ladders, floor sanders to hot glue guns, and deep carpet cleaners to air compressors.

REUSE: Shop at reuse stores to prevent waste and save money. The electronics resale store [Tech Dump](#) sells refurbished laptops for a fraction of their original price, and look for used building materials at stores like [Habitat for Humanity Restore](#) and [Better Futures Minnesota](#). The new [ReUSE Minnesota](#) online directory can help you find where to donate, rent, repair, or sell items for reuse and where you can purchase items secondhand.

REPAIR: Don't give up on your toaster that went kaput before bringing it to a [Hennepin County Fix-It Clinic](#). There's a Fix-It Clinic scheduled every month where you can seek assistance in fixing and even be taught how to troubleshoot and fix your favorite household items.

RECYCLE: Don't forget to recycle beyond your curbside recycling cart. Although some items can't be recycled curbside, things like plastic bags, small appliances, and CFL light bulbs can be recycled at [Hennepin County's Drop-Off Facilities](#). Try keeping a box in your basement for these drop-off type recyclables and bring them to one of Hennepin's facilities once or twice a year.

COMPOST: Participate in Minneapolis' [organics recycling program](#). Organic materials, which include food and compostable paper, make up about ¼ of our trash and represent the biggest opportunity to reduce our trash.

Become a Master Water Steward

Are you concerned about water pollution? The Master Water Stewards program is a great opportunity to learn how to solve environmental problems in your community and find a local network of energized leaders.

What Master Water Stewards Do:

- Assess Watersheds — Identify pollution sources and create strategies for reducing pollutants.
- Educate Communities — Help neighbors understand the most pressing environmental problems in their area.
- Reduce Pollutants — Work with communities to target pollution sources such as pet waste, fertilizer or pesticides.
- Coordinate Action — Help communities reduce polluted runoff by coordinating the installation of raingardens, rainbarrels and other rainscaping techniques.

Apply Now! Applications are available at www.masterwaterstewards.org

DATE: Thursday, January 25th

TIME: 6:00 – 8:00 PM

LOCATION: Mississippi Watershed Management Organization, 2522 Marshall St NE

Join your neighbors and business members of the Marshall Terrace Neighborhood Organization (MTNO) for our first quarterly neighborhood meeting of 2018 and learn about neighborhood happenings!

FEATURING:

Heritage Potluck Contest:

Please bring a dish inspired by your family's traditions and cultures! Marshall Terrace is home to a wide variety of cultures and traditions, and we want to learn about yours. You could win one of three prizes!

Dishes will be judged in three categories:

1. Sweet
2. Savory
3. People's Choice

All potluck entries must be brought to MWMO between 5:45 & 6:00 PM to qualify for entry.

MWMO Family Activities:

Join the MWMO in some fun, hands-on activities! Kids of all ages can watch a demonstration of how water flows over our land and affects humans, animals, and aquatic life in the Mississippi River. We'll also explore why we should care about this and how we can all protect the water we drink, play in and enjoy.

Street parking only! Please do not park in the Jaro's or MWMO lots.

Twin Cities Snowshoe Shuffle

The TCSS is a US Snowshoe Association sanctioned event and part of the Braveheart Series, a free series that allows racers to earn points and win free prizes. Awards and certificates are given to the top 3 men and women finishers in each of 7 age categories, which are listed on the registration form. The race will be officially timed.

Not that serious? This event is fun for people of all ages and all abilities.

All proceeds benefit Camp Bovey, a summer camp program at East Side Neighborhood Services (ESNS) that helps youth build respect for the environment, for one another, and for themselves.

Saturday, February 10, 2018

5K/10K snowshoe race begins at 9:30 AM

5K dog walk begins at 10:00 AM

REGISTRATION:

- \$35 before January 20
- \$40 after January 20
- \$20 for students aged 13–23
- \$25 for dog walk

Registration allows you to participate in the race and includes chili lunch and an event shirt. Snowshoes will be available for rental for \$5.

For more information or to register, go to the ESNS event page at www.esns.org/event-2724848
