ESNS Creative Arts Therapy

Creative Arts Therapy (CAT) is the intentional use of artistic processes such as drama, art, or music to achieve therapeutic goals. CAT can be utilized across cultural, gender, age, and socioeconomic lines. The Youth Department at East Side Neighborhood Services (ESNS) provides free preventative and needs-based programming through trauma-informed individual and group creative arts therapy. Each program's curriculum is unique and based upon several factors including age of youth, community climate, and community voice.

By participating in the Youth Department's CAT Program, youth will develop integral life skills that improve their academic performance and help facilitate growth in many personal areas such as enriching self-esteem and interpersonal skills, promoting healthy coping mechanisms, and encouraging healthy risk-taking.

East Side's CAT Program employs drama and art therapy and Creative Arts Therapists use art-making, storytelling, creative writing, music, play, and improvisation to facilitate spaces for self-expression.

Early Voting Started in Minneapolis

Early voting has begun for the Aug. 14th primary election, and Minneapolis voters may cast their ballots at the Early Vote Center, 217 S. Third St., in downtown Minneapolis. Standard hours throughout the absentee voting period are 8 AM – 4:30 PM, Monday–Friday. During the final two weeks before each election, these hours will be extended and include weekend times. All early voting hours are posted on the Elections website: vote.minneapolismn.gov.

Any voter can vote early; no reason is needed. It especially helps voters who need special accommodations, such as language support, that early in-person voting affords more readily than the polls might on the day of the election. People can also vote early (by absentee ballot) by mail.

Please allow enough time to complete the process by mail; it can take longer than seven days.

Absentee ballot applications are available at vote.minneapolismn.gov/voters/absentee and may be submitted anytime throughout the year.

Go to vote.minneapolismn.gov for more information or call 311.
